MEMORANDUM FOR: 

When you have time!

This looks like one we could be thinking about as a possible DCI Dinner/Discussion subject. If so, Seyom Brown would be a fine contributor -- partly because he is not a professional Kremlin-watcher. I assume we'd want to have some others with him, including someone such as Tom Wolfe from the outside.

If you have a better idea, let me have it.*

Dear 

I enjoyed the exchange with  and your people
least week at the DCI Dinner.

STAT

Should it fit in with your needs, I would be pleased to participate in such a format in the future--preferably on U.S.-Soviet relations. If I myself were to be the protagonist, I should like to advance some notions about the connection between the high degree of uncertainty we have about Soviet intentions and capabilities on the one hand, and U.S. policy choices on the other hand.

Best wishes,

Seyom Brown
